## **‘TIS THE SEASON TO BE GREEN AND RECYCLE** *Glendale Residents are Encouraged to be Mindful of Recycling During Holidays*

**GLENDALÉ, Ariz.** – Glendale residents are encouraged to recycle their live Christmas trees by dropping them off at the following sites. The “treecycling” sites will be open Saturday, Dec. 26 through Sunday, Jan. 10.

- Acoma Park: 53rd Ave. & Acoma Rd.
- Fire Station No. 156: 67th Ave. & Deer Valley Rd.
- Glendale Heroes Park: 83rd Ave. & Bethany Home Rd.
- Foothills Park: 57th Ave. & Union Hills Dr.
- Sahuaro Ranch Park: Southeast corner of 63rd Ave. & Mountain View Rd.
- O’Neil Park: 64th & Missouri avenues
- Rose Lane Park: 51st & Marlette avenues

Trees must be unbagged, and all decorations, tree stands and metal stakes must be removed. Trees collected at the recycling stations will be used for composting and mulch.

Another option for residents in single-family homes is putting the tree out on their monthly bulk trash collection. For a 2016 bulk trash schedule, [click here](#).

In addition, did you know that household waste increases by 25% during the holidays? Be sure you know what you can and cannot recycle this holiday season. Here are some important reminders:

- Acceptable items for recycling:
  - Empty Red/Yellow/Green/Clear plastic cups (#5) are all recyclable.
  - Clean plastic deli and bakery containers (clamshell) are recyclable.
- All recycling items need to be clean, dry and empty (please empty bottles of soda and half used food containers before recycling).
- Recycling items should be placed loose in your recycling container. Do not bag these items.
